

BPI and NATE CEU/CEH Information

NATE Certified Professionals: For information about NATE recertification, go to this website:

[Technicians/Recertification](#)

To apply your completed course CEHs for NATE recertification, †download the Technician Recertification Application:

[NATE Recertification Application](#)

Follow the instructions for submitting the Application for Recertification that is available for download. Along with this completed Application, you will need to send NATE a copy of your course completion certificate(s), with the corresponding NATE CEH information on it, to be applied toward your recertification.

BPI Certified Professionals: To receive BPI Continuing Education Units (CEUs), please go to www.bpi.org/pros and log into your Candidate Account. Choose “Add Continuing Education Units/Credits” and follow the instructions. You’ll need to upload the Certificate of Completion we send you via email, and the exact name of this course (on the certificate). For assistance, call BPI at 877-274-1274 ext 292.
